AUCKLAND DOG GROOMING PRICE RESEARCH

NZ$30–60

What 30 extra minutes can add

Eight published tariffs converted to the same time unit.
Coat condition and comfort determine appropriate work.

GST is explicitly included at See Spot Learn; the other comparison rows do not state it.

Checked 8 November 2026

One 8 kg dog fits two size labels across four salons

Auckland full-groom comparison: weight alone cannot identify the right price category.

OFP	**SMALL** 5–10 kg · from NZ$90
Fluff and Buff	**MEDIUM** 8–15 kg · from NZ$105
KristAI	**SMALL** 20/21–35 cm · NZ$80 at 7–8 weeks
All Breeds	**MEDIUM** 25–40 cm · from NZ$95 regular

Example assumes a 30 cm adult dog. See Spot Learn uses its long-coat column in the benchmark.
Our menu mappings, subject to confirmation. These four sources do not explicitly state GST.

Five details make grooming quotes comparable

Send the same specification to each Auckland salon before comparing the totals.

01 **Dog and coat**

Breed, weight, shoulder height, age and coat condition.

02 **Exact work**

Full body clip or tidy, finished length, bath, dry and nails.

03 **Total payable**

GST, compulsory assessment and any first-visit fee.

04 **Extra work**

Billing unit, likely extra time and approval before adding cost.

05 **Booking conditions**

Deposit, cancellation, lateness and collection charges.

Suggested request, not a quote sent to a business. Ask the groomer to contact you before work that would increase the agreed amount.
