05 / HOW TO GET A FAIR PRICE

# Same hair, same questions

Salon prices compare only when they cover the same length, stylist level and extras.

**Message template**
Hi, I'd like a price for [service] on [short / medium / long, fine / thick] hair. Last coloured [date]. Which stylist would you suggest, and what is their price? Does it include toner, a treatment and the blow-dry, and is GST included? Photo of my hair attached.

Five questions: which stylist level? Fixed or starting price? Toner, treatment or blow-dry extra? Deposit or cancellation fee? What if I'm not happy?
