02 / A YEAR OF MOWING

Visits a year and yearly cost

SEO4 estimate. Season September to April, about 35 weeks.

Pattern	Mows a year	At $40	At $60
Weekly in season, fortnightly in winter	44	$1,760	$2,640
Fortnightly all year	26	$1,040	$1,560
Fortnightly in season, monthly in winter	21	$840	$1,260
Monthly	12	$480	$720

Ask about winter. A round that drops from fortnightly to monthly in May saves about five visits a year. Lawns and More, for example, visits every three to four weeks off-season. [7]

SEO4 Price Score

Eight checks, 0 to 2 points: price, GST, free quote, what a mow includes, rating, new reviews, replies, website works.

Business	Score	Business	Score
Fresh Start Solutions	10/16	Christchurch Handyman	8/16
Lawns and More Christchurch	9/16	Clean & Tidy Lawns Aotearoa	7/16
Mr Green Christchurch	9/16	The Grass Barber	4/16

None of these businesses are SEO4 clients. A public snapshot from 15 November 2026, written in good faith; the score says nothing about mowing quality. [10]

05 / HOW TO GET A FAIR QUOTE

Same lawn, same questions

Lawn mowing quotes compare only when they include the same work and the same GST treatment.

Quote request template
Hi, could you quote for mowing my lawn at [suburb]? It is about [size] m², [flat / sloping], with [front and back / back only] lawns. I'd like it mown [fortnightly in summer, monthly in winter]. What is the price per mow including GST, does it include edges, blowing the paths and taking the clippings, and what do you charge for the first cut if the grass is long?

Five questions: price per mow incl GST? What is included? Winter schedule? First cut price? How do I pay?
